The external auditor is responsible for independently auditing and reporting on the fair presentation of the annual financial statements. Management fulfils this responsibility primarily by establishing and maintaining accounting systems and practices adequately supported by internal accounting controls. The annual financial statements are prepared in accordance with International Financial Reporting Standards ("IFRS"); the SAICA Financial Reporting Guides, as issued by the Accounting Practices Committee; the Financial Reporting Pronouncements, as issued by the Financial Reporting Standards Council; and the manner required by the Companies Act of South Africa, and incorporate full and reasonable disclosure. Appropriate and recognised accounting policies are consistently applied.

These condensed standalone financial statements were derived from the standalone annual financial statements and do not contain all the disclosures required by IFRS and the requirements of the Companies Act of South Africa. The company has not appointed an audit committee since the functions in terms of section 94 of the Companies Act of South Africa are performed on its behalf by the audit committee of its holding company, PSG Group Ltd. The audit committee of PSG Group Ltd, the company's holding company, meets regularly with the external auditor, as well as senior management, to evaluate matters concerning accounting policies, internal control, auditing and financial reporting. The external auditor has unrestricted access to all records, assets and personnel as well as to the PSG Group Ltd Audit Committee.

for the year ended 28 February 2014

1. Basis of presentation and accounting policies

These condensed standalone financial statements, which should be read in conjunction with either PSG Group Ltd ("PSG") or PSG Financial Services Ltd's ("PSL") group annual financial statements, have been derived from the standalone annual financial statements of PSL, which have been prepared in accordance with International Financial Reporting Standards ("IFRS"); the SAICA Financial Reporting Guides, as issued by the Accounting Practices Committee; the Financial Reporting Pronouncements, as issued by the Financial Reporting Standards Council; the manner required by the South African Companies Act, 71 of 2008, as amended, and the Listings Requirements of the JSE Ltd. PSL has only presented condensed standalone financial statements in this annual report, as PSL is the only significant asset of PSG. The principal accounting policies applied in the preparation of these condensed standalone financial statements are similar to those of PSG, as set out in note 1 to PSG's condensed group financial statements. These policies have been consistently applied to all the years presented.

Notice of general meeting

Notice is hereby given of the general meeting of preference shareholders of PSG Financial Services Ltd ("PSG Financial Services" or "the company") to be held in the boardroom, 1st floor, Ou Kollege, 35 Kerk Street, Stellenbosch, on Thursday, 19 June 2014, at 09:00 ("the general meeting").

Purpose

The purpose of the general meeting is to transact the business set out in the agenda below.

Agenda

1. To consider and, if deemed fit, approve, with or without modification, the following ordinary and special resolutions:

Note:

For the ordinary resolutions to be adopted, at least 75% of the voting rights exercised on each such ordinary resolution must be exercised in favour thereof, as required in terms of the memorandum of incorporation of the company and by the Listings Requirements of the JSE Ltd ("the JSE").

1.1 Ordinary resolution number 1: Unissued cumulative, non-redeemable, non-participating preference shares placed under control of the directors

"Resolved that the unissued cumulative, non-redeemable, non-participating preference shares in the company ("the preference shares") be and are hereby placed under the control of the directors until the next annual general meeting of the ordinary shareholder of the company and that the directors be and are hereby authorised to issue any such preference shares as they may deem fit provided that any preference shares issued pursuant to this authority shall rank *pari passu* with the existing issued preference shares and such authority shall be limited to issuing such number of preference shares which, when taken together, do not exceed a cumulative clean subscription price of R300m (i.e. the cumulative subscription payable for the preference shares less accrued dividends on such preference shares), subject to the South African Companies Act, 71 of 2008, as amended ("the Companies Act"), the memorandum of incorporation of the company, and the provisions of the Listings Requirements of the JSE, save that the aforementioned R300m limitation shall not apply to any preference shares issued in terms of a rights offer."

The reason for ordinary resolution number 1 is that the board requires authority from the preference shareholders in terms of its memorandum of incorporation and in terms of the Listings Requirements of the JSE to issue further listed preference shares from its existing unissued preference share capital. This general authority, once granted, allows the board from time to time, when it is appropriate to do so, to issue listed preference shares as may be required, inter alia, in terms of capital raising exercises and to maintain a healthy capital adequacy ratio. This general authority is subject to the restriction that it is limited to issuing such number of preference shares which, when taken together, do not exceed a cumulative clean subscription price of R300m, that preference shares issued in terms thereof shall rank *pari passu* in all respects with the listed preference shares already in issue and that it shall only be valid until the next annual general meeting of the ordinary shareholder(s) of the company.

1.2 Ordinary resolution number 2: General authority to issue preference shares for cash

"Resolved that, to the extent required by the Listings Requirements of the JSE, if applicable, the directors of the company be and are hereby authorised by way of a general authority, to allot and issue any of its unissued cumulative, non-redeemable, non-participating preference shares in the company placed under their control for cash as they in their discretion may deem fit, without restriction, subject to the provisions of the Listings Requirements of the JSE, to the extent applicable, including that:

Notice of general meeting continued

- the approval shall be valid until the date of the next annual general meeting of the ordinary shareholder(s) of the company, provided it shall not extend beyond fifteen months from the date of this resolution;
- the general issues of shares for cash in the aggregate in any one financial year may not exceed 15% of the company's issued share capital (number of securities) of that class as at the date of this notice of general meeting, it being recorded that preference shares issued pursuant to a rights offer to preference shareholders shall not diminish the number of ordinary shares that comprise the 15% of the preference shares that can be issued in terms of this ordinary resolution. As at the date of this notice of general meeting, 15% of the issued listed preference shares of the company amounts to 2 612 366 preference shares;
- in determining the price at which an issue of preference shares will be made in terms of this authority the maximum discount permitted will be 10% of the weighted average traded price of such shares, as determined over the 30 trading days prior to the date that the price of the issue is agreed between the issuer and the party subscribing for the securities. The JSE should be consulted for a ruling if the securities have not traded in such 30 business day period;
- any such issue will only be made to public shareholders as defined in paragraphs 4.25 to 4.27 of the Listings Requirements of the JSE and not to related parties; and
- any such issue will only be securities of a class already in issue or, if this is not the case, will be limited to such securities or rights that are convertible into a class already in issue,

and it being resolved, for the avoidance of doubt, that the company shall not be required to comply with the provisions of the authority contained in this resolution should same not be required by the Listings Requirements of the JSE."

For listed entities wishing to issue listed ordinary shares for cash, it is necessary for the board to obtain the prior authority of ordinary shareholders in accordance with the Listings Requirements of the JSE. It is not clear whether the JSE will apply this requirement to the issue of listed preference shares for cash. The reason for this resolution is that in the interests of prudence and good corporate governance, the company is obtaining, to the extent required, the approval of its preference shareholders for general issues of preference shares for cash in the event that such authority is deemed to be a requirement in terms of the Listings Requirements of the JSE. Should it transpire that such authority is not required, the company will naturally not be bound to adhere to the terms of the authority granted in terms of this resolution.

Note:

For the special resolutions to be adopted, at least 75% of the voting rights exercised on the special resolution must be exercised in favour thereof.

2. Special resolution number 1: Amendment to the memorandum of incorporation of the company in relation to the issue of shares

"Resolved as a special resolution that the memorandum of incorporation of the company be and is hereby amended by the deletion of existing clause number 6, in its entirety, and the substitution thereof with the following new clause 6:

'6.1 The Company is authorised to issue –

- 6.1.1 such number of such class of Shares as is set out in Schedule 1 hereto, subject to the preferences, rights, limitations and other terms associated with such class set out therein;*
- 6.1.2 such number of each of such further classes of Shares, if any, as are set out in Schedule 1 hereto with the preferences, rights, limitations and other terms associated with each such class set out therein, subject to the JSE Listings Requirements.*

- 6.4 *Each Share issued by the Company has associated with it an irrevocable right of the Shareholder to vote on any proposal to amend the preferences, rights, limitations and other terms associated with that Share, and accordingly if any amendment to this Memorandum of Incorporation relates to the variation of any preferences, rights, limitations and other terms associated with any class of Share already in issue, such amendments shall not be implemented without a special resolution adopted by the holders of Shares of that class at a separate meeting. The holders of Shares of that class will, subject to the further provisions of clause 23.2, also be entitled to vote at the meeting of ordinary Shareholders where the amendment is tabled for approval.*
- 6.5 *No Shares may be authorised in respect of which the preferences, rights, limitations or any other terms of any class of Shares may be varied in response to any objectively ascertainable external fact or facts as provided for in sections 37(6) and 37(7).*
- 6.6 *The Board may, subject to clauses 6.7, 6.9 and 6.11, the Act and the JSE Listings Requirements, resolve to issue Shares of the Company at any time, but only –*

 - 6.6.2 *to the extent that such issue has been approved by the Shareholders in general meeting, either by way of a general authority (which may be either conditional or unconditional) to issue Shares in its discretion or a specific authority in respect of any particular issue of Shares, provided that, if such approval is in the form of a general authority to the Directors, it shall be valid only until the next annual general meeting of the Company and it may be varied or revoked by any general meeting of the Shareholders prior to such annual general meeting, provided further that the approval by Shareholders in general meeting shall not be required –*
