

PSG Financial Services Limited

REVIEWED RESULTS FOR THE YEAR ENDED 28 FEBRUARY 2021

OVERVIEW

PSG Financial Services Ltd ("PSGFS" or "the company" or "the group") is a wholly-owned subsidiary and the only directly-held asset of PSG Group Ltd ("PSG Group" or "PSG"). PSGFS has 17 415 770 (2020: 17 415 770) cumulative, non-redeemable, non-participating preference shares ("preference shares") in issue which are listed on the Johannesburg Stock Exchange.

Since all of PSG's investment activities are conducted through PSGFS, being the sole directly-held asset of PSG, please refer to the commentary section of PSG's reviewed results for the year ended 28 February 2021 for more information regarding the group and its performance, as published on SENS on 20 April 2021.

PREFERENCE SHARE DIVIDEND

The company previously announced the declaration of its preference share dividend in respect of the six months ended 28 February 2021, which was paid on Tuesday, 23 March 2021.

REPURCHASE OF PREFERENCE SHARES

Preference shareholders are advised to take note of the announcement released on SENS on Tuesday, 20 April 2021 whereby the board of PSGFS has resolved to make an offer to repurchase and delist all the preference shares in issue at a clean (i.e. excluding the accrued preference dividend) price of R81 per share, equating to a total cash consideration of R1.41bn, in terms of a scheme of arrangement. Subject to shareholder and regulatory approval, it is envisaged that the repurchase will be implemented in the next three months.

On behalf of the board

Introduction to the condensed consolidated financial statements

Basis of presentation and accounting policies

These condensed consolidated financial statements are prepared in accordance with the requirements of the Companies Act of South Africa and the JSE Listings Requirements for preliminary reports. The JSE Listings Requirements require preliminary reports to be prepared in accordance with the framework concepts and the measurement and recognition requirements of International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board, SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Reporting Pronouncements as issued by the Financial Reporting Standards Council and to also, as a minimum, contain the information required by IAS 34 Interim Financial Reporting.

The accounting policies applied in the preparation of these condensed consolidated financial statements are in terms of IFRS; however, the accounting policies applied are materially different from those previously applied as detailed below.

In preparing these condensed consolidated financial statements, the significant judgements made by management in applying the group's accounting policies related mainly to the fair value of unlisted investments as detailed in Annexure A.

Application of the Investment Entity exception in terms of IFRS 10 Consolidated Financial Statements

Change in Investment Entity status

An Investment Entity is typically an entity that i) obtains funds from one or more investors for the purpose of providing such investor(s) with investment management services, ii) commits to its investor(s) that its business purpose is to invest funds solely for returns from capital appreciation, investment income, or both, and iii) measures and evaluates the performance of substantially all of its investments on a fair value basis.

IFRS 10 lists typical characteristics of an Investment Entity as i) it has more than one investment, ii) it has more than one investor, iii) it has investors that are not related parties of the entity, and iv) it has ownership interests in the form of equity or similar interests. PSGFS strongly exhibits all of these characteristics.

During the year under review, PSGFS and its holding company, PSG Group, undertook the following major corporate actions, which significantly impacted the group's composition and focus areas:

- PSGFS, through Zeder, a subsidiary in terms of IFRS 10, disposed of its entire investment in Pioneer Foods, being the second largest associate of the group, for R6.4bn cash ("Pioneer Foods Disposal");
- PSG Group unbundled an effective 30.5m shares (or 26.4% of the 30.7% interest held) in Capitec ("Capitec Unbundling"), thereby retaining a 4.3% shareholding for liquidity purposes and to bolster PSG Group's balance sheet. Such unbundling unlocked significant value for PSG Group ordinary shareholders.
- PSGFS disposed of 3.3m Capitec shares (or 2.9% of the 4.3% Capitec interest retained) for R3.5bn cash.

PSGFS' investment in Capitec represented more than 65% of its total asset portfolio prior to aforementioned unbundling, whereas the investments in Pioneer Foods and Capitec contributed approximately 75% to PSGFS' consolidated recurring earnings (as explained in note 7) for the year ended 29 February 2020. Whilst PSGFS' focus on value creation for its shareholders has not changed, the aforementioned disposals and unbundling have necessitated PSGFS to reassess its Investment Entity status in terms of IFRS 10. The performance of its remaining investment portfolio is accordingly measured with reference to the fair value of such investments (i.e. sum-of-the-parts ("SOTP") value) rather than the consolidated profitability of PSGFS (i.e. recurring earnings) with effect from 1 March 2020 in PSGFS' strive to meet its objective of value creation through capital appreciation, investment income or both. Fair value (i.e. SOTP value) is ultimately dependent on a range of factors such as the investee's market rating, growth prospects, operational performance, profitability and marketability.

Accounting treatment for an Investment Entity

IFRS 10 contains special accounting requirements for an Investment Entity. Where an entity meets the definition of an Investment Entity, it does not consolidate its subsidiaries, but rather measures subsidiaries at fair value through profit or loss ("FVTPL"). However, an Investment Entity is still required to consolidate subsidiaries that provide services related to the Investment Entity's investment activities (i.e. those wholly-owned subsidiaries comprising PSGFS' head office operations).

IFRS 10 requires a parent that becomes an Investment Entity to account for the change in its status prospectively from the date at which the change in status occurred. Having considered various factors, including the timelines and decision-making processes leading up to aforementioned disposals and unbundling, PSGFS' application of the Investment Entity exception is effective from 1 March 2020. Accordingly, on such date the group's existing subsidiaries (other than aforementioned wholly-owned head office subsidiaries providing investment-related services to PSGFS) were deemed to be disposed of and re-acquired at fair value, with the resultant *non-headline* gain or loss being recognised in the income statement. Such investments were subsequently measured at FVTPL for the entire year under review.

Discontinued operations

Pioneer Foods Disposal

As at 29 February 2020, PSGFS, through Zeder, a subsidiary in terms of IFRS 10, classified its investment in Pioneer Foods, an associate, as a non-current asset held for sale and discontinued operation in its consolidated financial statements for the year ended 29 February 2020.

Capitec Unbundling

With effect from 1 March 2020, PSGFS classified the portion of its associate interest in Capitec, being sold to PSG Group in anticipation of the Capitec Unbundling, as a non-current asset held for sale and discontinued operation. PSGFS simultaneously transferred its retained equity security interest in Capitec that would not be sold to PSG Group, and over which it had lost significant influence, to investments at FVTPL and continued to measure it at FVTPL throughout the year under review. Profit or losses resulting from PSGFS' shareholding in Capitec forming part of the Capitec Unbundling were disclosed as a discontinued operation in PSGFS' consolidated income statement for both years presented, irrespective of such investment being equity accounted during the prior year.

Preparation

These condensed consolidated financial statements were compiled under the supervision of the group chief financial officer, Mr WL Greeff, CA (SA), and were reviewed by PSGFS' external auditor, PricewaterhouseCoopers Inc, with a copy of their unmodified review conclusion attached hereto.

Any reference to future financial performance included in this announcement, has not been reviewed or reported on by the company's auditor.

Linked investment contracts, consolidated mutual funds and other client-related balances ("client-related balances")

The differentiation between own and client-related balances is with effect from 1 March 2020 no longer relevant as a result of the aforementioned change in status to that of an Investment Entity, with PSG Konsult having been deconsolidated and PSGFS' interest therein being accounted for since at FVTPL.

Prior to applying the Investment Entity exception, client-related balances resulted in assets and liabilities of equal value being recognised in the consolidated statement of financial position, although not directly related to PSGFS shareholders. These balances mainly stemmed from:

- PSG Life (an existing subsidiary of PSG Konsult) issuing linked investment contracts to clients in terms of which the value of policy benefits payable (included under "investment contract liabilities") was directly linked to the fair value of the supporting assets, with the group not being exposed to the financial risks associated with such assets and liabilities.
- The group consolidating mutual funds deemed to be controlled in terms of IFRS 10, with the group's own investments in such mutual funds having been derecognised and all the funds' underlying assets having been recognised. Third parties' funds invested in the respective mutual funds were recognised as a payable and included under "third-party liabilities arising on consolidation of mutual funds", with the group thus not being exposed to the financial risks associated with the assets and liabilities attributable to third parties.

		Gain upon				
	Carrying value 29-Feb-20 Rm	remeasuring retained Capitec interest to fair value Rm	Gain upon disposal of Capitec interest at fair value Rm	Transfer to investments at FVTPL Rm	Disposal at fair value to PSG Group Rm	Carrying value 28-Feb-21 Rm
1.2 Investment in associate (Capitec)						,
Retained Capitec interest (continuing operations) 1) Unbundled Capitec interest (discontinued operations) 2)	760 8 283	3 117	18 369	(3 877)	(26 652)	-
Total	9 043	3 117	18 369	(3 877)	(26 652)	-

This portion of the investment in associate, representing the approximately 3m Capitec shares not sold to PSG Group in terms of the corporate rollover provisions in the Income Tax Act in anticipation of the Capitec Unbundling, and over which significant influence was lost, was transferred to investments at FVTPL at the ruling market price on 1 March 2020, being the date on which the unbundled Capitec interest was reclassified as a non-current asset held for sale.

1.3 Debt securities

Total investment income

Debt securities as at 28 February 2021 relate to PSGFS' investment in Dipeo cumulative, redeemable preference shares. Previously, such investment was eliminated upon consolidation of Dipeo (a subsidiary in terms of IFRS 10), with PSGFS accordingly sharing in the underlying assets of Dipeo. However, following the aforementioned change in status to that of an Investment Entity, Dipeo is no longer consolidated and PSGFS had to accordingly reinstate such debt securities and account therefore at amortised cost. Below is a reconciliation of movement in such debt securities balance for the year under review:

	Reviewed 28-Feb-21
	Rm
Reinstatement following change in status to that of an Investment Entity (i.e. opening balance net of previously recognised impairment loss) Cash collected	567 (29)
Preference share dividends accrued ¹⁾	51
Reversal of previously recognised impairment loss	126
Closing balance ²⁾	715

¹⁾ Preference share dividends are accounted for at the contractual rate of Prime plus 2% on the balance net of impairment losses (i.e. stage 2 under-performing financial asset)

²⁾ In light of PSGFS holding approximately 13.9m JSE-listed PSG Group (holding company) treasury shares, it received approximately 1.9m JSE-listed Capitec shares pursuant to the Capitec Unbundling, being worth R1,841m at the ruling share price as at 30 July 2020, being the date on which PSG Group shareholder approval for the Capitec Unbundling was obtained, with the required approval of the Prudential Authority having been obtained prior to such date.

³⁾ The disposal of approximately 3.3m Capitec shares during the year raised R3,502m in cash, while a further R1,053m and R86m cash was invested in Curro and PSG Alpha, respectively.

²⁾ Representing approximately 32.5m Capitec shares worth R26,652m at the ruling share price as at 9 July 2020, being the date on which PSGFS disposed of such shares to PSG Group in anticipation of the Capitec Unbundling.

The carrying value of the debt securities is supported by Dipeo's investment in JSE-listed Curro (3.6%), Stadio (3.3%) and Kaap Agri (20%), as well as in unlisted Energy Partners (16.6%), and accordingly the remaining carrying value is deemed fully recoverable (i.e. lifetime expected credit losses have been provided for).

¹⁾ Re-presented for the discontinued operations as detailed in the introduction to these condensed consolidated financial statements.

4. Capital commitments and contingencies

PSGFS, as an Investment Entity, has no material capital commitments or contingencies.

5. Events subsequent to the reporting date

No material event has occurred between the reporting date and the date of approval of these condensed consolidated financial statements, except for the group having disposed of a further 282,071 Capitec shares for R399m cash proceeds.

Preference shareholders are advised to take note of the announcement released on SENS on Tuesday, 20 April 2021 whereby the board of PSGFS has resolved to make an offer to repurchase and delist all the preference shares in issue at a clean (i.e. excluding the accrued preference dividend) price of R81 per share, equating to a total cash consideration of R1.41bn, in terms of a scheme of arrangement. Subject to shareholder and regulatory approval, it is envisaged that the repurchase will be implemented in the next three months.

6. Financial instruments

6.1 Financial risk factors

PSGFS' activities as an Investment Entity exposes it mainly to i) price risk in respect of its investments at FVTPL and ii) credit risk in respect of its debt securities and cash and cash equivalents.

Risk management continues to be carried out by each investee of PSGFS under policies approved by the respective boards of directors. In light of the change in status to that of an Investment Entity, PSGFS' comparative financial risk disclosures have not been provided as it does not provide any information relevant to an understanding of PSGFS' financial risks during the year under review or as at the reporting date.

6.2 Price risk

The information below analyses financial assets and liabilities, which are carried at fair value, by level of hierarchy as required by IFRS 13. The different levels in the hierarchy are defined below:

- Level 1: quoted prices (unadjusted) in active markets.
- Level 2: input other than quoted prices included within level 1 that is observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).
- Level 3: input for the asset or liability that is not based on observable market data (that is, unobservable input).

The carrying value of financial assets and liabilities carried at amortised cost approximates their fair value, while those measured at fair value can be summarised as follows:

	Level 1	Level 2	Level 3	Total
28 February 2021 (reviewed)	Rm	Rm	Rm	Rm
Assets				
Investments at FVTPL	17 002		1 883	18 885
Liabilities				
Derivative financial liabilities		42		42

The following table presents changes in level 3 assets during the year under review:

	Reviewed Feb-21 Rm
Opening balance	346
Financial assets deconsolidated upon change in status to that of an Investment Entity	(346)
Financial assets recognised upon change in status to that of an Investment Entity	1 860
Additions	86
Unrealised fair value losses included in fair value losses on investments at FVTPL as per the condensed	
consolidated income statement	(63)
Closing balance	1 883

Valuation techniques and main inputs used to determine fair value for assets are detailed in Annexure A. The fair value of derivative financial liabilities (being fixed-for-variable interest rate swaps) has been determined by discounting the future contractual cash flows using observable market-related interest rates.

6.3 Credit risk

Debt securities

Debt securities as at 28 February 2021 relate to PSGFS' investment in Dipeo preference shares, as detailed in note 1.3. Dipeo has no external borrowings or funding obligations apart from the preference shares held by PSGFS (also being a 49% ordinary shareholder in Dipeo) and the Dipeo BEE Education Trust (being the remaining 51% shareholder in Dipeo). However, PSGFS holds approximately 94% of Dipeo's total preference share exposure.

As noted in note 1.3, the carrying value of the debt securities is mostly supported by JSE-listed investments at their respective fair values. Such JSE-listed investments (i.e. level 1 fair value measurement) supports approximately 88.1% of the carrying value of the debt securities, with the remainder being supported by unlisted investments.

Cash and cash equivalents

PSGFS' cash and cash equivalents comprise current/call accounts and term deposits (with a maturity of 7 days or less) spread across two South African banks (both rated by Moody's as having short-term and long-term counterparty risk ratings of P-3 and Baa3, respectively).

7. Segment report

The group has seven reportable segments, namely PSG Konsult, Curro, Capitec, Zeder, PSG Alpha, Dipeo and PSG Corporate. Apart from PSG Corporate, these segments represent the major investments of the group. The products and services offered by the respective segments are detailed in the commentary section to this announcement. All segments operate predominantly in South Africa. However, the group has exposure to operations outside of South Africa through, inter alia, Curro, PSG Alpha's investment in CA&S and through Zeder's investments in The Logistics Group, Capespan, Zaad and Agrivision Africa.

SOTP value remains a key tool used to measure PSGFS' performance pursuant to its objective of shareholder value creation through, inter alia, capital appreciation. In determining SOTP value, listed assets and liabilities are valued using quoted market prices, whereas unlisted assets and liabilities are valued internally using appropriate valuation methods. These values in the prior year will not necessarily correspond with the values per the condensed consolidated statement of financial position since the latter were measured using the relevant accounting standards which included historical cost and the equity method of accounting.

Previously, to provide context to its consolidated income statement, the group presented consolidated *recurring earnings* which was calculated on a proportional basis, and included the proportional earnings of underlying investments, excluding marked-to-market adjustments and once-off items. The result was that investments in which PSGFS held less than 20% and which were generally not equity accountable in terms of accounting standards, were equity accounted for the purpose of calculating the consolidated *recurring earnings*. *Non-recurring earnings* included, inter alia, once-off gains and losses and marked-to-market fluctuations, as well as the resulting taxation charge on these items. However, following PSGFS' change in status to that of an Investment Entity, consolidated *recurring earnings* is no longer presented to or evaluated by the chief operating decision-maker (the PSG Group Executive Committee) and therefore it is no longer presented as part of PSGFS' segment report.

The segments' performance can be analysed as set out below and also in Annexure A:

	Fair value				
	gains/

Profit for the year from discontinued operations				18 369	

Comprises all other line items in the condensed consolidated income statement, including fee income, expenses, impairment losses, finance costs and taxation.

As detailed in the introduction to the condensed consolidated financial statements, pursuant to the change in status to that of an Investment Entity with effect from 1 March 2020, the accounting policies applied in the preparation of the condensed consolidated financial statements are materially different from those previously applied. Accordingly, PSGFS' headline earnings for the year ended 28 February 2021 reflects its subsidiaries (other than those providing services related to PSGFS' investment activities) being accounted for at FVTPL, while in the prior year such subsidiaries were consolidated.

³⁾ Includes a capital gains tax provision on the retained Capitec interest.

8. Reclassification of prior year reported amounts

PSG Konsult reported a reclassification of prior year amounts owing to client-related balances. Such reclassification had no impact on previously reported profitability, cash flows, assets, liabilities or equity; however, it had the following impact on the condensed consolidated income statement for the year ended 29 February 2020:

	Own	Client-related	
	balances	balances	Total
_	Rm	Rm	Rm
Previously reported			
Fair value (losses)/gains	3	(125)	(122)
Fair value adjustment to third-party liabilities arising on consolidation of mutual funds		(1 270)	(1 270)
	3	(1 395)	(1 392)
Now reported

 $^{^{1)}\,\}text{Secondary}$ listings on the Namibian Stock Exchange ("NSE") and Mauritian Stock Exchange ("MSE").

²⁾ Secondary listing on the 4AX Exchange.

 $^{^{3)}}$ PSG Alpha management holds $\pm 1.7\%$ (2020: $\pm 1.9\%$) in PSG Alpha.

⁴⁾ The 28 Feb 2021 balance includes a capital gains tax provision (i.e. deferred income tax liability) in respect of the retained Capitec interest.

⁵⁾ Redeemed in full during the year under review.

INDEPENDENT AUDITOR'S REVIEW REPORT ON CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

To the Shareholders of PSG Financial Services Limited

We have reviewed the condensed consolidated financial statements of PSG Financial Services Limited, set out on pages 3 to 13 of the preliminary report, which comprise the condensed consolidated statement of financial position as at 28 February 2021 and the related condensed consolidated income statement and statements of comprehensive income, changes in equity and cash flows for the year then ended, and selected explanatory notes.

Directors' Responsibility for the Condensed Consolidated Financial Statements

The directors are responsible for the preparation and presentation of these condensed consolidated financial statements in accordance with the requirements of the JSE Limited Listings Requirements for preliminary reports, as set out in the basis of presentation and accounting policies to the financial statements, and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on these financial statements. We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2410, which applies to a review of historical financial information performed by the independent auditor of the entity. ISRE 2410 requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements are not prepared in all material respects in accordance with the applicable financial reporting framework. This standard also requires us to comply with relevant ethical requirements.

A review of financial statements in accordance with ISRE 2410 is a limited assurance engagement. We perform procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluate the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the condensed consolidated financial statements of PSG Financial Services Limited for the year ended 28 February 2021 are not prepared, in all material respects, in accordance with the requirements of the JSE Limited Listings Requirements for preliminary reports, as set out in the basis of presentation and accounting policies to the financial statements, and the requirements of the Companies Act of South Africa.
